

## CVCA Academic Success Coach Full or Part-time

### Summary

The Office of Academic Success and Instructional Services (OASIS) seeks to maximize the success of every CVCA student. While the OASIS is available for all CVCA students, OASIS learning coaches focus primarily on assisting identified and at-risk students, increasing student success through a combination of intervention, accommodations, organizational training, and goal setting with accountability. An OASIS learning coach seeks to train his or her students to increase in their ability to self-regulate their own academic achievement and progress, diminishing students' need for formal academic support over time.

Full support for CVCA's mission, vision, and core values

Passion for building relationships with students and faculty in a Christian environment with the mission to educate and cultivate servants for Christ

A clear desire and ability to work in a student-centered learning environment

Broad content competency in middle and secondary level academics

Interest in innovatively and appropriately using technology (including Chromebooks) to support student learning

Demonstrated strong communication, organizational and leadership skills

Patient and flexible while working toward student success

Bachelor's degree

Secondary ACSI teaching certification or ability to obtain certification prior to employment

### Ideal Qualifications:

Middle and/or high school Ohio teaching certificate, Intervention Specialist preferred

ACSI Special Education Specialist

Bachelor or Master degree in Special Education, Educational Intervention, or a related field

Five years' experience teaching grades 6-12 at various levels

Experience in middle/high school student support services, especially academic

Demonstrated success in tutoring students who desire/need to increase their score on various standardized assessments, including but not limited to state mandated tests

Demonstrated experience in innovatively and appropriately bringing Chromebooks and other technologies into the classroom to amplify and accelerate student learning

Ability and interest in involvement in co-curriculars (related experience preferred)
